PROJECT BRIEF

On the Caribbean shores of Bonaire, Delfins Beach Resort unfolds directly along the water's edge, embraced by lush gardens and a rich variety of swaying palms. Its Blushing Star Villas are defined by two words — modern and stylish — a place where contemporary design meets the unhurried rhythm of island life.

The HIGOLD York collection completes this vision throughout the property. Its clean lines and refined comfort flow seamlessly from the villa interiors to the open terraces and beachfront apartments, creating a single, cohesive language of relaxed elegance.

Indoors and out, every York piece elevates the experience — pairing enduring quality with effortless sophistication, and turning each terrace and lounge into an invitation to linger, unwind, and savor the sea.
