PROJECT BRIEF

On the Costa Blanca, where the Alicante coastline meets the Mediterranean, Dormio Resort Costa Blanca Beach & Spa rises just steps from the water. A four-star-plus retreat of 126 luxurious apartments for four and six guests, it pairs generous terraces and refined facilities with the unhurried rhythm of Spanish beach life.

Across these sun-filled terraces, HIGOLD's York lounge collection sets the tone for relaxation. Its clean lines and enveloping comfort invite guests to settle in for slow mornings and golden afternoons, framing sea views with quiet elegance.

Engineered for life beside the water, the York sets withstand sun, salt and breeze without surrendering their poise — bringing a polished, residential warmth to every open-air moment beneath the Spanish sky.
