PROJECT BRIEF

Set deep within the unspoiled landscapes of East Tyrol, Hotel Quelle - Nature Spa Resort is a sanctuary built around one simple promise: here, you finally slow down. Wrapped in alpine nature and equipped for both restful escapes and active adventures, the resort turns every terrace into an invitation to breathe, linger, and savor the moment.

HIGOLD outdoor furniture brings that philosophy to life across the resort's open-air spaces. Plush lounge sets create quiet corners for dreaming the hours away, while elegant dining settings frame the culinary pleasures Hotel Quelle is known for. Each piece balances comfort with refined design, drawing the eye without ever competing with the surrounding mountains.

The result is a seamless blend of style and function: outdoor environments that feel as luxurious as they are inviting, where guests can rest, gather, and reconnect with nature in effortless elegance.
