PROJECT BRIEF

Set along the shimmering shores of the Spanish Mediterranean, Ikos Andalusia is a five-star sanctuary on the glamorous Costa del Sol. Here, twenty-one acres of lush landscaped gardens unfold toward a privately serviced beach, while nine indoor and outdoor pools are scattered across the verdant grounds — a place where sun-kissed sands, whitewashed villages, and immense national parks converge into one effortless escape.

Across the resort's sun terraces, poolside lounges, and seafront dining spaces, HIGOLD outdoor furniture brings a quiet confidence to every setting. Each piece marries refined design with all-weather durability, inviting guests to linger over blissful afternoons by the cyan water and warm Andalusian light.

The result is an atmosphere where comfort and elegance feel entirely natural — outdoor living elevated to match the all-inclusive promise of Ikos. From beach days to spa retreats, HIGOLD helps shape spaces as memorable as the destination itself.
